JULY 17 - 24, 2027

Many people move from south Mexico to the Ensenada area looking for better employment and opportunity. But due to the high cost of land, most people can't afford both land and a house. They end up buying land and making shacks to live in. Sleeping on dirt floors leaves them at a higher risk of illness and the lack of security leaves them vulnerable to crime.

Our partner, Baja Bound, identifies people who need a house and connects them with a team of people who can help make that happen.

We have the privilege to serve alongside a family to build them a safe and stable house while sharing the Gospel with them.

SPECIFIC NEEDS BUT NOT LIMITED TO:

People with building experience.

WARNING: YOU WILL COME TO KNOW AND LOVE THE FAMILY THAT YOU BUILD A HOUSE FOR.
