Discussion Questions

1. WHY is the message of Galatians (defense of the gospel of GRACE) so important in our world today?
2. How does the message of God's amazing GRACE impact the way that you think about your personal relationship with God? Look at 1John 4:18,19 and Romans 8:1 and 8:38-39 to help spur your thinking and discussion.
3. Does Paul's passion for the gospel of God's grace impact your desire to protect that gospel and to spread it to those in your sphere of influence? If you could share this gospel of GRACE with 1 person, who would you choose to share it with?
