

The Ministry in Jerusalem

God With Us, Part 9 • Acts

Discussion Questions:

1. What do you admire most about the character of these early Christian witnesses described in Acts 3-7?
2. What are your thoughts about how the first Christians did life together? In community?
3. What are your takeaways from the life, ministry and death of Stephen (Acts 6,7)? What keeps you from being a bold witness?
4. Think about the habits of the first Christians (Acts 2:42-47) ... “They devoted themselves.” How are we living out those same habits today at Oak Pointe? What could we do better? How do you imagine it could look like in our cultural context? Eg. ‘meeting together every day’ is not realistic but connecting by phone with another believer each day for connection and prayer is doable!
